BULLETIN

06-13-23

UAW Local 402 App: We are currently in the process of finding a new host for our app. The current host of our app is no longer in business. We were trying to help small businesses in our community but unfortunately, they sometimes are not big enough to stay in business. We are reaching out to a few larger companies to host our app to try to avoid this in the future. Sorry for any inconvenience this may have caused. We will continue to put all information on our website at uawlocal402.org. The company is still in the process of hiring production assemblers and skilled trades employees. Since May 8th, 2023, the company has hired 36 new production employees. Let us welcome all our new local 402 sisters and brothers to Navistar. If you know anyone who would like to apply, they can do so at Navistar.com and click on careers and apply.

Election Runoff Reminder: The Executive Board position for Guide Runoff is set for June 21, 2023. See election postings throughout the plant and on our website for detailed information.

July Shutdown: The Union Hall will be closed beginning Friday, June 30, 2023, and will reopen Monday, July 17, 2023. If you contact the hall during the shutdown period, please leave a message and we will return your call in the order in which it was received when we return. I hope everyone has a safe vacation and a happy 4th of July, celebrating our independence with family and friends.
