

## **BULLETIN**

**11/08/2024**

**Line 1 Production Update:** The company notified the Union that as of now they will be suspending production on Line 1 beginning January 2<sup>nd</sup> and will resume on January 21<sup>st</sup>, 2025, due to low orders for January and February production. Hopefully now that the election is over, truck orders will pick up after the first of the year.

**Line 2 Production Update:** The company will be suspending production on Line 2 beginning January 2<sup>nd</sup>, and will resume on January 21, 2025, due to retooling at the GM plant in Wentzville, which supplies us with our van cabs. As always, this is all subject to change. It is the company's responsibility to notify you if you will be laid off during this timeframe, not the union. We still have 98 Local 402 members on indefinite layoff. Currently, the last person working in production is Jeffrey, Clock #28630, seniority date 07/23/2021.

**Voluntary Retirement Incentive:** The company has designated 11/8/24 through 11/27/24 as the timeframe that 402 members who qualify and are eligible to retire would need to go to HR and personally request the form to receive the voluntary retirement incentive.
