BULLETIN

03/11/2026

Line 1 Production Update: Line 1 production rate will continue at 13 units per day, 3 days per week (Monday through Wednesday) until truck orders increase. The 2026 truck market forecast is still forecasting quarters one and two to be slow and a slight increase in quarters three and four. As always, this is all subject to change.

Line 2 Production Update: Production will be 40 units per day, 3 days per week (Monday through Wednesday) beginning next week. As of now, this will be the schedule until July shutdown period or until GM increases their orders. As always, this is all subject to change.

Company Recall: The company is sending out recall letters to all of our 62 remaining UAW Local 402 members on indefinite layoff. As of right now, the return-to-work date will be Monday, March 30th. The reason for the recall is to maintain contract commitment numbers.

- I want to address the rumors and speculation as to what the company has planned for SAP this year and beyond. The company is the only one who truly knows what the plan is for our plant. Contract years always bring rumors and speculation that cause unnecessary stress. One thing is certain; when negotiations begin, the local bargaining committee is committed to achieving the best possible contract agreement for our entire membership. Once the company notifies the union of any intent about our future, whether good or bad, we will let everyone know immediately. However, until then, we need to continue to show up for work and build the best quality truck and van in the entire International chain. The local union leadership needs your support now more than ever to achieve the best possible agreement so we can continue to work here for many years to come. **The time is now to stand united as one!**

Easter Egg Hunt: Our annual Easter Egg Hunt will be on Saturday, March 28, 2026, rain or shine. This event will be held at the UAW Local 402 Union Hall. Doors will open at 10:00 am and hunt begins at 11:00 am. Grandchildren and children of UAW Local 402 members 12 and under are welcome to attend.

March Union Meeting: Wednesday, March 11, 2026, at our monthly membership meeting, we will be reading and getting approval from the membership regarding the contract language suggestions for the upcoming negotiations. Congratulations to anyone who has and will be retiring this year. Thank you for your hard work and dedication, coming to work and building the best trucks in the business.

In Solidarity,

Chris Bligh

Shawn Reed

President, UAW Local 402

Bargaining Chairman, UAW Local 402
